

June Updates

Children and Youth Ministry at Cloverdale United

Looking Ahead

June 2nd There will be NO CHILDREN'S CHURCH. In Lee is being admitted to our church at the Celebration of Ministry at Langley Events Centre at 10am, and I am going to support him, as I encourage all of you to!

June 9th is the Children, Youth and Families worship at Zion Manor. We are encouraging all of the Children and Youth and their families to attend the worship. Zion Manor is a local senior center that, as part of our mission, we offer a worship service at once a month. The young people will help the seniors find their pages in the hymn books and may be asked to read if they are feeling confident enough. The seniors love to see the children, so please come and support this important ministry in our congregation. The service is at 3, but parking can be tricky, so plan to be there by 2:45, just to be safe.

June 23rd is our Outdoor Service! We will all meet at 10:30 at Clayton Heights Park. Come ready for some fun worship in God's beautiful creation.

June 30th is going to be Sundae Sunday! A celebration of our year at Children's Church together. There will be some very special snacks and activities and we would love to have ALL the children together one more time before summer starts and we all go on vacation!

Last Year's Picnic

A Special Easter Performance

Community Gardens

Have you checked out our garden? We've got some things growing! Our plot is the largest garden box on the side of the church. We planted radishes, carrots, cucumbers and snap peas on Mother's Day with some of the Mothers who joined us. Come by and water them if they're looking dry and we'll see what happens in a few more weeks!

Pick Up

A few housekeeping things for Children's Church as well. Please make sure that you are coming to the Upper Hall to collect your children after the service. This just makes for a smoother transition for the children from Children's Church to coffee time. Also, if you haven't filled out a registration package for your child, PLEASE let me know and I'll get one to you as soon as possible.

Offering

A reminder as well that we will continue to do an offering throughout the summer, so if you want to send your children with some spare change that would be wonderful. Every bit helps.

Thanks so much for reading! Have a wonderful summer and look for the next newsletter in September.
Robyn.
